REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholders and Board of Directors of
Continental Investors Services, Inc.
Longview, Washington

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Continental Investors Services, Inc. (CIS) as of June 30, 2020, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended, and the related notes and schedule (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of Continental Investors Services as of June 30, 2020 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of CIS management. Our responsibility is to express an opinion on CIS' financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to CIS in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to fraud or error, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Auditors' Report on Supplemental Information

The supplemental schedule (Schedule I) has been subjected to audit procedures performed in conjunction with the audit of Continental Investors Services, Inc.'s financial statements. The supplemental information is the responsibility of CIS' management. Our audit procedures including determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the

completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Notes to Financial Statements

Year Ended June 30, 2020

1. THE COMPANY AND SIGNIFICANT ACCOUNTING POLICIES

The Company and Nature of the Business

Continental Investors Services, Inc. (the "Company"), is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company is a Washington state corporation.

The Company provides broker-dealer services in principally debt-related securities both as agent and principal to its customers. The Company operated under SEC Rule 15c3-3(k)(2)(ii), which provides that all funds and securities belong to the Company's customers would be handled by a clearing broker-dealer. The Company's customers are located throughout the United States.

Cash and Cash Equivalents

Cash consists of deposits with banks. For purposes of the Statement of Cash Flows, the Company has defined cash equivalents as highly liquid investments with original maturities of less than three months that are not held for sale in the ordinary course of business.

Restricted cash is segregated for presentation purposes and is not available for general operations. A corresponding liability of \$302,920 is also included within Payable to Broker-Dealers in the accompanying financial statements.

Securities Owned and Revenue Recognition

Proprietary security transactions in regular-way trades are recorded on a trade-date basis, as if they had been settled. Profit and loss arising from all securities transactions entered into for the account and risk of the Company are recorded on a trade-date basis. Customer's securities transactions are reported on a settlement date basis with related commission income and expenses reported on a trade date basis.

Securities owned and securities sold not yet purchased are recorded at fair value in accordance with FASB ASC 820, Fair Value Measurement (See Note 2).

Securities and investments which are not readily marketable are carried at fair value as determined by management of the Company. Unrealized gains and losses are credited or charged to operations. The Company's securities are held in the custody of the clearing broker-dealer. Should the clearing broker-dealer fail to deliver securities to the Company, the Company may be at market risk to purchase or sell identical securities on the open market.

Securities sold not yet purchased represent an obligation of the Company to deliver specified equity securities at a predetermined price. The Company is obligated to acquire the securities at prevalent market prices in the future to satisfy this obligation.

CONTINENTAL INVESTORS SERVICES, INC.

Notes to Financial Statements

Year Ended June 30, 2020

Receivables from broker-dealers and clearing organizations are generally collected in full in the month following their accrual. As such, management has not recorded an allowance for doubtful accounts on these receivables.

Revenue from contracts with customers consists of distribution fees. The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

The Company enters into arrangements with managed accounts or other pooled vehicles (funds) to distribute shares to investors. The Company believes that its performance obligation is the sale of securities to investors and as such this is fulfilled on the trade date. Any fixed amounts are recognized on the trade date, and variable amounts are recognized to the extent it is probable that a significant revenue reversal will not occur once the uncertainty is resolved. For variable amounts, as the uncertainty is dependent on the value of the shares at future points in time, as well as the length of time the investor remains in the fund, both of which are highly susceptible to factors outside the Company's influence, the Company does not believe that it can overcome this constraint until the market value of the fund and the investor activities are known, which are usually monthly or quarterly. Distribution fees recognized in the current period are related to performance obligations that in some instances have been satisfied in prior periods.

Other Receivables

The Company advances funds to its registered representatives as determined necessary by management. Management records an allowance for bad debts based on a collectability review of specific accounts. Management has recorded an allowance of \$36,825 as of June 30, 2020. As such the total receivable of \$36,825 has been fully allowed.

Commissions

Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

Advertising

Advertising costs are expensed as incurred. Total advertising expenses for the year ended June 30, 2020 was \$2,200.

Furniture and Equipment and Depreciation

Furniture and equipment with a cost basis in excess of \$5,000 are capitalized and stated at cost. Depreciation is provided on a straight-line basis using estimated useful lives of three to ten years.

CONTINENTAL INVESTORS SERVICES, INC.

Notes to Financial Statements

Year Ended June 30, 2020

Normal repairs and maintenance, including website maintenance, computer hardware replacement parts or computer software upgrades, are expenses as incurred.

Depreciation is computed on the straight-line method over estimated useful lives as follows:

Computer hardware and software	5 years
Furniture and equipment	5 years
Website development costs	5 years

Treasury Stock

Treasury stock is accounted for using the cost method.

Income Taxes

The amount of current and deferred taxes payable or refundable is recognized as of the date of the financial statements, utilizing currently enacted tax laws and rates. Deferred tax expenses or benefits are recognized in the financial statements for the changes in deferred tax liabilities or assets between years.

The Company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, *Income Taxes*. Under that guidance, the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances, and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

Concentrations of Risk

The Company is engaged in various trading and brokerage activities with counterparties, primarily broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

The Company's operating cash is on deposit with one financial institution, which balance exceeded the federally insured limit of \$250,000 by \$199,951 as of June 30, 2020.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CONTINENTAL INVESTORS SERVICES, INC.

Notes to Financial Statements

Year Ended June 30, 2020

Commitments and Contingencies

Accordingly to an indemnification clause in the Company's clearing agreement, should the Company's customers fail to settle security transactions, the Company will indemnify the clearing broker-dealer to the extent of the net loss on the unsettled trade. As of June 30, 2020, the Company had not been notified by the clearing broker-dealer, nor was management aware, of any potential losses.

Subsequent Events

Management has evaluated subsequent events through, the date of the Report of Independent Registered Public Accounting Firm, the date the financial statement were available to be issued. No events have occurred subsequent to year-end that require adjustment to or disclosure in the financial statements.

New Accounting Pronouncements

In August 2018, the FASB issued ASU 2018-13, Fair Value Measurement (Topic 820): Disclosure Framework-Changes to the Disclosure Requirements for Fair Value Measurement. ASU 2018-13 removes or modifies certain current disclosures, and adds additional disclosures. The changes are meant to provide more relevant information regarding valuation techniques and inputs used to arrive at measures of fair value, uncertainty in the fair value measurements and how changes in fair value measurements impact as entity's performance and cash flows. Certain disclosures in ASU 2018-13 will need to be applied on a retrospective basis and others on a prospective basis. Early adoption is permitted. The Company expects to adopt the provisions of this guidance on July 1, 2020, and is currently evaluating the impact that ASU 2018-13 will have on its related disclosures.

2. FAIR VALUE MEASUREMENTS

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy, which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.
- Level 2 inputs are inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.

CONTINENTAL INVESTORS SERVICES, INC.

Notes to Financial Statements

Year Ended June 30, 2020

- Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.

The availability of observable inputs can vary from security to security and is affected by a wide variety of factors, including, for example, the type of security, the liquidity of markets, and other characteristics particular to the security. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgement. Accordingly, the degree of judgement exercised in determining fair value is greatest for instruments categorized in level 3.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurements fall in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

The following table presents the Company's fair value hierarchy for those assets (and corresponding liabilities) measured at fair value on a recurring basis as of June 30, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>Security Type</u>

3. RECEIVABLE FROM AND PAYABLE TO CLEARING ORGANIZATION

Amounts receivable from and payable to the Company and the clearing organization at June 30, 2020 consist of the following:

	<u>Receivable</u>	<u>Payable</u>
Deposits for securities borrowed/loaned	\$ 970,360	\$ -
Cash held by clearing broker	5,774	-
Payable to clearing broker	-	1,251,505
Interest receivable	<u>987</u>	<u>-</u>
TOTALS	<u>\$ 977,121</u>	<u>\$ 1,251,505</u>

The Company clears its proprietary and customer transactions through one broker-dealer on a fully-disclosed basis. As such, the Company is exempt from certain provisions of Rule 15c3-3 because it does not hold funds or securities of customers. The amount payable to the clearing broker relates to unsettled trading securities owned and is collateralized by securities owned by the Company. Interest is charged on this payable at the prevailing margin rate, which was 4.99% at June 30, 2020.

5. NET CAPITAL REQUIREMENT

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-3), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10-to 1). At June 30, 2020, the Company had net capital of \$1,526,473, which was \$1,276,473 in excess of its required net capital of \$250,000.

6. PENSION PLAN

The Company has established a SAR-SEP pension plan covering substantially all employees. The Company may elect to make employer contributions as determined by the Board of Directors. SAR-SEP employer expense for the year ended June 30, 2020 was \$20,813, which is included in employee compensation and benefits in the accompanying statement of income.

7. RELATED PARTY TRANSACTIONS

During the current fiscal year, all shareholders of CIS as June 30, 2020, with one exception, were paid employees and/or paid representatives of CIS. Shareholder representatives were compensated at standard commission rates. In addition, one key employee, officer, and shareholder received a salary of \$115,920 for managerial responsibilities.

The Company leases an office building on a month-to-month basis from a related company owned by an officer and key employee of CIS.

A family member of a officer/shareholder of CIS has earned commission in the amount of \$123,151, for the period ended June 30, 2020.

The following describes the transactions between this related company and CIS:

Nature of Transaction

Reimbursements from CIS to related company:

8. COVID- 19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, on March 23, 2020, Washington Governor Jay Inslee ordered the closure of the physical location of every “non-essential” business for what may be an extended period of time. There has been no immediate impact to our operation. Future potential impacts may include continued disruptions or restrictions on our employees’ ability to work. The future impacts of these issues are unknown.

Prior to year-end, the Company applied for and was granted a \$121,624 loan under the Paycheck Protection Program (PPP) created as part of the relief efforts related to COVID-19 and administered by the Small Business Administration (SBA). The loan accrues interest at 1%, but payments are not required to begin for six month after the funding of the loan. The Company is eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements. The loan is uncollateralized and is fully guaranteed by the Federal Government. Management believes the Company has complied with the PPP loan forgiveness requirements as of June 30, 2020; however, until the SBA formally approves loan forgiveness, such monies have been reflected as deferred revenue in the accompanying financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders of
Continental Investors Services, Inc.
Longview, Washington

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Continental Investors Services, Inc. identified the following provision of 17 C.F.R. § 15c3-3(k) under which Continental Investors Services, Inc. (CIS) claimed an exemption from 17 C.F.R. § 240.15c3-3: (2) (ii) (the exemption provisions) and (2) CIS stated that CIS met the identified exemption provisions throughout the most recent fiscal year without exception. CIS' management is responsible for compliance with the identified exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about CIS' compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k) 2(ii) of Rule 15c3-3 under the Securities and Exchange Act of 1934.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTNG FIRM ON
APPLYING AGREED-UPON PROCEDURES**

To the Board of Directors of
Continental Investors Services, Inc.
Longview, WA

We have performed the procedures in Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and in the Securities Investor Protection Corporation (SIPC) Series 600 Rules, which are enumerated below and were agreed to by CIS and the SIPC, solely to assist you and SIPC in evaluating CIS' compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7) for the year ended June 30, 2020. CIS management is responsible for its SIPC7 and for its compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the Total Revenue amount reported on the Annual Audited Report Form X-17A-5 Part III for the year ended June 30, 2020 with the Total Revenue amount reported in Form SIPC-7 for the year ended June 30, 2020, noting no differences.
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be an expression of an opinion or conclusion, respectively, on CIS' compliance with the applicable

instructions of the Form SIPC-7 for the year ended June 30, 2019. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of CIS and the SIPC and is not intended to be and should not be used by anyone other than these specified parties.
